CREDITS

Title:	**"Witness to Murder: A Darrow Mystery"**
Format:	Two-hour Hallmark Movies & Mysteries Original
Network:	Hallmark Movies & Mysteries
Storyline:	It's not an easy decision for Claire and Joanna Darrow to accept the case of a lawyer who wronged Joanna, but it's the right one. Cassie Piper was tricked by her bosses into leveling the accusation that ended Joanna's New York career, and has now been similarly framed. Facing felony charges and the nightmare of losing her daughter, Cassie is desperate. When an apparent attempt on the life of her ex-boss results in another man's death, there is ample evidence linking Cassie to the crime. Meanwhile, Claire and DA Miles Strasberg take stock of their as-yet-undefined relationship.
