

## CREDITS

Title: **'A NOVEL ROMANCE'**

Format: Two-hour Hallmark Movies & Mysteries Original World Premiere

Network: Hallmark Channel

Storyline: A romance novelist with a *nom d 'plume* retreats to a small town to find inspiration for the followup to his previous bestselling books. He instead finds himself falling in love with a local book reviewer, herself recovering from a relationship with another public figure. The two struggle with their fears of revealing truths about themselves – just as the writer's public revelation from behind his pseudonym is about to take place, threatening their romance.
