

CREDITS

Title: **'GOOD WITCH' – Season 1**

Format: Hallmark Channel Original Primetime Series

Network: Hallmark Channel

Episode: 1001 – "Starting Over... Again"

Storyline: In this all-new Hallmark Channel Original Primetime Series, the bewitching Cassie Nightingale is back as Middleton's favorite enchantress and this time she's joined by her teenage daughter Grace, who shares that same special intuition as her mom. When handsome Dr. Sam Radford and his teenage son move in next to the Grey House, they are immediately spellbound by the mother-daughter duo next door. While Cassie tries to welcome them with her special magical touch, Sam and Cassie quickly find they may not see eye to eye. Then, as Cassie and her family are reeling from a devastating loss, her son Brandon has a shocking surprise announcement about his future that will cause emotions to run high. With her signature charm, Cassie attempts to bring everyone together in time for a powerful event, ensuring all of Middleton is in for new changes, big surprises and, of course, a little bit of magic!
