

## **'UNLEASHING MR. DARCY'**

### **SYNOPSIS**

In this modern day spin on "Pride & Prejudice," Elizabeth Scott (Cindy Busby), is fishing for direction in her life and gets the opportunity to professionally show her Cavalier King Charles Spaniel in a fancy New York dog show. Dog show judge Donovan Darcy (Ryan Paevey) comes across as aristocratic and rude and a chain of misunderstandings unfold during the competition, complicating their mutual attraction. In true Jane Austen fashion, Elizabeth and Donovan begin to see the error of their ways and it turns out Mr. Darcy is far more kind and interesting than Elizabeth ever imagined.
