Storyline: Abby Knight (Shields) is a beautiful ex-attorney and proprietor of Bloomers, a quaint Illinois flower shop. Abby and Marco (Elliott), a handsome bar owner and former private investigator, discover the body of Jack Sutcliff, an unscrupulous grifter who attempted to crash Abby's cousin's wedding. Abby's curiosity gets the better of her and she sets out to conduct her own murder investigation and solve the case. With Marco's help, Abby assembles an eclectic list of murder suspects — including her "black sheep" relatives, various wedding party members and even the groom's socialite mother. One of the murder suspects turns up dead from an apparent suicide. But when Abby suspects this death was a homicide — and closes in on the killer — she finds herself in a dangerous showdown.
