Format: Two-hour Hallmark Movies & Mysteries World Premiere

Network: Hallmark Movies & Mysteries

Storyline: Lead postal detective Oliver (Eric Mabius) and his associate Shane (Kristin Booth) have been doing a figurative dance with each other, swaying back and forth with the possibility of a relationship. Finally, on their first date at a romantic supper club, Shane begins wondering if it's a date or not, as she sees the contrast of their relationship next to the extraordinary dance performances of a couple who express the longing of her heart. As Norman (Geoff Gustafson) and Rita (Crystal Lowe) work alongside each other, their personal relationship hits a bump in the road. Together the P.O.s are asked to find a letter with a one-in-a-million lottery ticket inside. Oliver's father Joe (Gregory Harrison) and beautiful police officer friend Dale assist the investigation, which ultimately changes one couple's lives forever.
