STUDIO CITY, CA –May 10, 2018 – Pascale Hutton ("When Calls the Heart," "Sanctuary") and Kavan Smith ("When Calls the Heart," "Sanctuary") star in Hallmark Channel's **"The Perfect Bride: Wedding Bells"** a new, original movie premiering **Saturday, June 9, (9 p.m. ET/PT)** as part of the network's popular "June Weddings" programming event.

Former marriage counselor turned fitness instructor, Molly White (Hutton) has built a brand of workout classes combining yoga and practical advice for couples on the verge of marriage as well as for those who've already tied the knot. In fact, her "Bridal and Marriage Boot Camps" are so popular Molly wants to branch out on her own. Her boyfriend Nick Dyson (Smith) is in the same happy boat. He's the wedding photographer everyone wants, and now he's decided to go after his true passion of art photography. Both taking big leaps of faith, Molly and Nick are now taking an even bigger leap together by getting married. Though there's no doubt they're perfect for one another, each is haunted by former relationships that seemed perfect but definitely were not. Trying not to repeat past mistakes, they almost forget that nothing really matters except their perfect love.

"The Perfect Bride: Wedding Bells" is a Crown Media Family Networks Production. Vicki Sotheran and Greg Malcolm are producers. Alex Wright directs from a script written by Rick Garman.
