As Christmas approaches, Elizabeth Bennett (Lowndes), a New York event planner, is sent to a quaint, small town to organize their holiday festival. Determined to make her event a success, Elizabeth persuades the reluctant Darcy to let her hold the festival on the historical estate once known for its holiday cheer. When they wind up working together to arrange the festivities, the unlikely pair begins falling for each other. But when complications arise and the festival is unexpectedly shut down, the couple parts ways and Darcy moves forward with his plans to sell the estate.
