STUDIO CITY, CA – Jerrika Hinton ("Grey's Anatomy," "Here and Now") and Christian Vincent ("Noah's Arc: Jumping the Broom," "Sins of the Mother") star in Hallmark Channel's "**A Majestic Christmas,**" a new, original movie premiering **Sunday, December 2, (8 p.m. ET/PT)** as part of the network's #1-rated programming event, COUNTDOWN TO CHRISTMAS. Hallmark Channel is historically the #1 television network in all of Q4.

Architect Nell Harper (Hinton) is all about restoring aging structures, not rebuilding them. She's also all about Christmas, and donates to the Salvation Army. But when she donates to the Salvation Army pot, her bracelet slips off, and as she goes to retrieve it, a handsome gentleman accuses her of stealing. When Santa vouches for Nell, the embarrassed man goes on his way, but not after she cautions him to have more faith in people. As it turns out, he's Nell's new client, Connor Martin (Vincent), who inherited the Majestic Theater in her hometown of Briar Falls. He wants to turn the grand old building, where the Christmas Pageant is held, into a modern movie multiplex. Having to ignore all the "Save The Majestic" baseball caps, Nell is determined to give her client what he wants, and as she works alongside Connor, they develop an attraction. But when a freeze bursts the old theater's pipes, the Christmas Pageant is in jeopardy and Connor lends a hand to repair the damage, getting the town to warm up to him. Also heating up is the romantic flame between Nell and Connor, especially when he suggests she start her own firm. But when Nell quits her job to do just that, Connor wrongly thinks she's going to bail on The Majestic renovation, a project dearer to his heart than he imagined.
