FROM EXECUTIVE PRODUCER MARTHA WILLIAMSON IN DEVELOPMENT FOR
HALLMARK DRAMA**

Stars Eric Mabius, Kristin Booth, Crystal Lowe and Geoff Gustafson to Return

PASADENA, CA – February 9, 2019 – Hallmark Drama is developing another installment of the fan-favorite movie franchise, “Signed, Sealed, Delivered,” created by “Touched by an Angel” executive producer Martha Williamson. The announcement was made today as part of Crown Media Family Networks’ bi-annual Television Critics Association Winter Press Tour.

“Signed, Sealed, Delivered” is a comedic drama franchise that follows the lives of postal workers – known as the PObstables – who transform themselves into an untraditional team of detectives to track down intended recipients of undeliverable mail. Their missions take them out of the office into an unpredictable world where redirected letters and packages can save lives, solve crimes, reunite old loves and change futures by arriving late but somehow on time.

“We’re thrilled to be able to give the devoted fans of ‘Signed, Sealed, Delivered’ a new adventure so we can continue the story of the PObstables,” said Michelle Vicary, Executive Vice President, Programming and Network Publicity, Crown Media Family Networks. “The emotional and heartfelt stories the talented Martha Williamson tells are a perfect fit for our newest network, Hallmark Drama.”
