Title: **"My Boyfriend's Back: Wedding March 5"**

Format: Two-hour Hallmark Channel Original Movie

Network: Hallmark Channel

Storyline: Wedding planner Annalise is in charge of a wedding at Mick and Olivia's inn but things get complicated when she finds out the best man is her ex-boyfriend Brad. Now dealing with the guy who broke her heart in addition to planning bumps along the way, Annalise really feels the pressure when a potential investor for her new business arrives without warning. Luckily, she and Brad work through their awkwardness and he helps her out in an unexpected way. Love is everywhere, especially when Mick and Olivia celebrate the 25th anniversary of their first date with surprises galore.
