STUDIO CITY, CA – May 15, 2019 – Jack Wagner ("When Calls the Heart," "Wedding March 4: Something Old, Something New"), Cindy Busby ("Royal Hearts," "Marrying Mr. Darcy"), Josie Bissett ("When Calls the Heart," "Secret Life of the American Teenager") and Tyler Hynes ("Flip That Romance," "Star Trek: Discovery") star in **"My Boyfriend's Back: Wedding March 5,"** a new original movie premiering **Saturday, June 8 (9 p.m. ET/PT)**, on Hallmark Channel as part of the network's annual June Weddings programming event.

Wedding planner Annalise (Busby) is starting her own company and must wow investors with a wedding at Mick (Wagner) and Olivia's (Bissett) romantic inn. No strangers to love, the longtime couple is celebrating the 25th anniversary of their first date, and each has planned a surprise to commemorate the day. Meanwhile, Annalise, already under pressure, finds out the best man is her ex-boyfriend Brad (Hynes). She hasn't spoken to him in five years, ever since he left her the day they were moving to New York. Luckily, she's preoccupied with wedding plans and the inevitable glitches, not to mention being around the man who broke her heart. But like Mick and Olivia, who reunited after years apart, Annalise and Brad feel their chemistry flare again. Though she's the epitome of organization and he's the example of easygoing, opposites do attract, and maybe their magnetic chemistry has drawn them back together for a reason.

"My Boyfriend's Back: Wedding March 5" is from All Canadian Entertainment Inc. Brad Krevoy, Susie Belzberg, Mike Rohl, Eric Jarboe, Amanda Phillips Atkins, Jimmy Townsend, Nancy Bennett, Lorenzo Nardini and Jack Wagner are executive producers.
