## CREDITS

**Title:** "A Taste of Summer"

**Format:** Two-hour Hallmark Channel Original Movie

**Network:** Hallmark Channel

**Storyline:** Sous-chef Gabby opens a restaurant, and must contend with former high school baseball hero Caleb, the competitive owner of a popular eatery. A star in culinary school, Gabby is undaunted until opening night, when her restaurant has few customers due to Caleb's wings promotion. Deciding to enter the Taste of Summer to win \$10,000 and stellar reviews, Gabby is stunned when Caleb enters a similar dish, but heartened when he helps after her sous-chef burns himself. With the contest winner still unnamed, there's lots of competitiveness in the air, but now it's mixed with a hint of romance.
