Title: “Love in Store”

Format: Two-hour Hallmark Channel Original Movie

Network: Hallmark Channel

Storyline: Shopping network hosts Terrie and David have different styles, and personalities that clash. Each wants a promotion, but first they’ll have to get along as co-hosts. Seeing a text from her boyfriend breaking up with her while on camera, Terrie goes speechless and David steps in. The audience instantly loves their charisma and, despite their initial dislike for one another, a romantic flame ignites. But when Terrie’s old boyfriend asks David to help him win Terrie back, explaining he got cold feet when she brought up marriage, David takes a step back, afraid Terrie may have already sold her heart.
