Title: **"Project Christmas Joy"**

Format: A Hallmark Dramal Primetime Special

Network: Hallmark Drama

Storyline: In March 2019, two E4 tornadoes ravaged the towns of Beauregard and Smith's Station, Alabama. Twenty-three lives were lost in the tornadoes' wake. In an effort to bring some Christmas joy to those who have gone through so much, Hallmark Drama will be decorating Providence Baptist Church (known as the "Heart of the Community") and creating a night of holiday fellowship for the community. In addition, Crown Media Family Networks will be sponsoring homes to be built for a few townspeople that lost everything during the storms. Ultimately, our Christmas wish is to bring some hope, and joy, to this special community for the holidays.

Executive Producers: Colleen Needles Steward
