STUDIO CITY, CA – October 30, 2020 – Lacey Chabert ("Christmas in Rome," *Mean Girls*) and Will Kemp ("Spinning Out," "Reign") star in "**Christmas Waltz**," a new, original movie premiering **Saturday, November 28 (8 p.m. ET/PT)**, on Hallmark Channel as part of the network's "Countdown to Christmas" programming event – your home for the holiday. Chabert and Kemp previously co-starred in last year's "Love Romance and Chocolate." JT Church ("Dancing with the Stars: Juniors") also stars in his first movie role.

After Avery's (Chabert) storybook Christmas wedding is canceled unexpectedly, handsome and irreverent dance instructor Roman (Kemp) persuades her to continue with the 10 dance lessons she'd booked – the first sale of the studio's resident whiz kid, Nicky (Church). As Avery takes lessons with Roman, and sometimes Nicky, she begins to open up and soon the pair seems to move together flawlessly – both on the dance floor and off. Roman helps Avery to take a holiday from perfection and to live in the moment, and in return, she helps guide him on a special business venture. Soon, however, the past threatens to trip up the pair, unless they can remember that the most important lesson in dance and in love is trusting your partner.

"Christmas Waltz" is from Waltz Productions Inc.. Brad Krevoy, Eric Jarboe, Amy Krell, Amanda Phillips Atkins, Janeen Damian, Susanne Belzberg, Michael Damian, Gareth Young, Doran S. Chandler and Nathaniel Lyman are executive producers. Kay Metchie, Michael Shepard, Aisling Gilson and Jacquelyn Renner are supervising producers, and Rob Lycar and Gary Shortall are producers. Michael Damian directed from a script by Michael Damian.
