THE WORLDWIDE LEADER IN *Celebrations*

CREDITS

Title: "Christmas Comes Twice"

Format: Two-hour Hallmark Channel Original Movie

Network: Hallmark Channel

Storyline: Cheryl, an astrophysicist, returns home for Christmas and attends the annual Christmas Carnival. She takes a ride on the carousel and is somehow transported to Christmas five years before. While in the past Cheryl spends time with her beloved science teacher, gains a new appreciation for her path in life and begins to see her "frenemy" George in a new light.
