Part of the Network's Annual "Summer Nights" Programming Event

STUDIO CITY, CA – July 1, 2021 – Chloe Bridges ("The Carrie Diaries," "Pretty Little Liars") and Scott Michael Foster ("Crazy Ex-Girlfriend," "Teenage Dirtbag") star in "**Love, For Real**," a new, original movie premiering **Saturday, July 31 (9 p.m. ET/PT)**, on Hallmark Channel as part of the network's annual "Summer Nights" programming event. Taiana Tully ("Aloha Surf Hotel") and Corbin Bleu ("One Life to Live," "High School Musical") also star.

Hayley (Bridges), an ambitious fashion designer, goes on a reality dating show with a strategy: gain just enough publicity to get her fashion line financed, then get eliminated. Hayley's best friend Bree (Tully) is also a contestant and the two try and come up with a plan that could help both their careers. But they didn't account for ambitious producer Luke (Foster) and star bachelor Marco (Bleu), who have their own goals to make sure both women stay on the show until the dramatic finale. Meanwhile, Hayley and Luke quarrel over the surprisingly scripted storyline but must learn to work together to dodge elimination and turn Hayley into a fan favorite. When they start falling for each other in front of the viewing audience, Hayley must choose between the man the world wants for her, or the man she wants for herself.

"Love, For Real" is from Love For Real Productions, LLC. Stan Spry is executive producer. Ric Galindez, Roy Tjioe and Kenneth Burke are producers. Maclain Nelson directed from a script by Erinne Dobson.
