WHOSE HONEYMOON TAKES A DEADLY TURN IN  
'AURORA TEAGARDEN MYSTERIES: HONEYMOON, HONEYMURDER,'  
A NEW ORIGINAL PREMIERING AUGUST 22, ON HALLMARK MOVIES & MYSTERIES**

STUDIO CITY, CA – August 10, 2021 – Candace Cameron Bure (“Fuller House,” “The View”) returns as crime buff and newlywed in **“Aurora Teagarden Mysteries: Honeymoon, Honeymurder,”** the latest installment in the hit mystery franchise premiering **Sunday, August 22 (9 p.m. ET/PT)**, on Hallmark Movies & Mysteries. Bure is joined by returning co-stars Niall Matter (“Eureka”), Marilu Henner (“Taxi,” “Evening Shade”) and Miranda Frigon (“Primeval: New World”).

Before being shot and falling backward off his boat into the cold, dark waters below, the last thing Cliff Minton saw was the face of his killer. During a Real Murders Club meeting, newlyweds Aurora Teagarden (Bure) and Nick Miller (Matter) share that bad weather has delayed their Paris honeymoon by a week, so they’re offered a lakeside cabin as a romantic “pre-honeymoon” getaway. While out on the lake searching for a picnic spot, Aurora spots a small fishing boat bobbing near the shore. As they move their vessel closer to inspect further, they notice something near the boat: Cliff’s body. As Aurora and Nick investigate the murder, someone clearly doesn’t want them getting any closer to the truth. With the list of suspects piling up, the couple must once again work the clues to uncover who is behind Cliff’s murder before the killer gets to them first.

“Aurora Teagarden Mysteries: Honeymoon, Honeymurder” is from Muse Entertainment. Executive producers are Candace Cameron Bure, Michael Prupas, Charlaire Harris, Jamie Goehring, Joel S. Rice, Shawn Williamson and Jim Head. Producer is John MacCarthy. Martin Wood directed from a script written by Teena Booth, based on the Aurora Teagarden book series by Charlaire Harris.
